PRINTS, PAGE AFTER PAGE**

Aficio™

Colourful results for everyday documents

Viable, entry level colour laser printing

The Nashuatec P7431c combines affordability and efficiency with ease of use. Cost-reducing features, including paper-saving double-sided printing and separate pull-out toner cartridges, contribute to lowering Total Cost of Ownership. Superb colour with fast, black and white printing, makes the P7431c the ideal choice for individuals wishing to take their first step into realistic colour printing.

Speed and quality on a wide range of media

Single and double-sided documents are printed at an impressive 31 pages per minute (ppm) in black and white and a fast 8ppm in full colour without sacrificing quality. With clear, sharp prints at 1,200dpi, the P7431c produces professional looking presentations, reports and spreadsheets, time after time.

Flexible, reliable, easy access printing

Exceptionally easy to use, the P7431c offers excellent value and trouble-free printing.

Print double-sided documents, with no loss of speed, from the optional Duplex Unit

Add impact with colour on a wide range of media

The standard 250-sheet paper capacity can be expanded to a maximum of 780-sheets, for longer uninterrupted printing. Additionally, individual pull-out toner cartridges make it quick, clean and cost effective to replace only the colour you need.

Simple connectivity, easy installation

Simple, direct USB PC connection plus advanced

Windows based host printing ensures easier installation and faster processing compared to some other desktop printers.

Aficio™

The Nashuatec P7431c bears the Aficio Symbol – your sign of digital technology, innovation and customer support in action.
